

Beschleunigung Straßenprojekte

Die Bundesregierung macht mehr Tempo bei Sanierung und Ausbau von Autobahnen. Autobahnneubauprojekte wie die A20 in Norddeutschland oder die A100 in Berlin profitieren von schnelleren Raumverträglichkeitsprüfungen sowie Vereinfachungen bei Verwaltungsverfahren.

Noch schneller geht es jetzt bei Engpassbeseitigen und Lückenschlüssen auf Autobahnen. Diese 144 Projekte aus dem Bundesverkehrswegeplan können jetzt beschleunigt umgesetzt werden, weil sie als überragendes öffentliches Interesse festgeschrieben werden. Das bedeutet weniger Staus und flüssiger Verkehr auf den Autobahnen.
